# Global vs Local in Food Systems

Read Shiva, *Soil Not Oil*, Ch. 4 and Conclusion

## Journal Activity

Visit Google's Sustainability app:

<https://yourplanyourplanet.sustainability.google>

Do the food section of the plan and assess the app and how it makes you feel. What is Google's goal? How effective is the app at achieving this goal?

# Soil Not Oil

- What are Shiva's arguments against industrialized agriculture with respect to the three pillars of sustainability: social, economic, and environmental?
- What does Shiva advocate instead of industrialized agriculture?
- What is Shiva's philosophical approach – or worldview – with respect to generating food systems that diverge from industrialized agriculture?
