The curricular materials contained in this course is subject to the following license:

You are free to:

Share – copy and redistribute the material in any medium or format

Adapt – remix, transform, and build upon the material for any purpose, even commercially

The licensor cannot revoke these freedoms as long as you follow the license terms:

Attribution – You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

ShareAlike – If you remix, transform, or build upon the material, you must distribute your contributions under the same license as the original.

No additional restrictions – You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.

The students who have created the student products archived here retain the copyright for their work. You are free to share their work with attribution, but you may not adapt their work without permission. For more information on this CC BY-ND 2.0 license, please visit <https://creativecommons.org/licenses/by-nd/2.0/legalcode>

The student products are subject to the following license:

You are free to:

Share – copy and redistribute the material in any medium or format

The licensor cannot revoke these freedoms as long as you follow the license terms:

Attribution – You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NoDerivatives – If you remix, transform, or build upon the material, you may not distribute the modified material.

Notices: You do not have to comply with the license for elements of the material in the public domain or where your use is permitted by an applicable exception or limitation.

No warranties are given. The license may not give you all of the permissions necessary for your intended use. For example, other rights such as publicity, privacy, or moral rights may limit how you use the material.
