# Standing at the Sill, the Sun is Weak & Dropping

we need to clean the window

there are specks  
on the trees

grasping dusk light settles  
on the windowsill

snowmelt rushes storm drains  
and the grass,

greening tailpipes still vapor  
to the road,

and crows turn  
in hyacinth light  
on the ceiling

come lay down  
before warm light leaves  
the mattress.
