Deceivingly Beautiful Trails

the winding wind twirls through my hair
can my speed eliminate the hate?
or erase the truth?
dissipating through the soil
the genocide turmoil.
kill the savage
feed its baby to the wolves
eat its empty soul,
howl at the new land
scorch its traditions
skin it alive
rape the pride
heed the screams
kill them all.

dig up their bones
hang them on a wall
call it mythical
Red
White
and
Fuck you too.
